

Bridal Suite

To Adi,
I wanted to write and tell you thank you for the fine job you did in putting together the bridal folders. They exceeded our expectations and all of the vendors who advertised in the folder are very much satisfied with the outcome of their ads as well as the graphics.

It's a great marketing tool for us and when we give them out to our brides they absolutely love them.

Thank you again for the amazing job on the folders.

Regards,
Thomas Carvelli
