

The Wedding Chapel, Inc.

Dear Bridal Folders of America,

Thank you for the beautiful folders you made for our store!!!
The customers love them!!!

They are a great help in keeping our information right in front of them when they leave our store and that keeps them coming back for more items! I would recommend your folders to all bridal shops, they are so handy and sales productive.

We just ran out and I would like to have more printed as soon as possible so we can have them for busy season just around the corner.
Thank you again.

Sincerely,
Diana Ellingson
